Each school can make one nomination

The City of Parramatta Council invites each school within the local government area to nominate one student to receive an Active Citizenship Award, to be presented as part of your school's annual prize giving system.

Who is nominated is a decision of the school, but we ask that you consider the following criteria to identify a student who has:

- made an effort to create a welcoming, inclusive and just school community
- contributed to the wider community
- participated well in representative bodies or community service groups.

The Active Citizenship Award **is not an academic award**. We hope you see it as an opportunity to recognize the positive efforts of a student who does not often receive recognition.

Award winners receive a certificate and a \$50 book voucher. Award winners will also receive an invitation to a celebratory function hosted by the Lord Mayor in the new year.

Please complete the below details to make your nomination. Please submit the form at least two weeks before your prize giving event.

If you have any questions, please contact the Community Capacity Building Team of Council on 9806-5138 or lreece@cityofparramatta.nsw.gov.au.

You can save your form at any time and return to it up until the closing date.
